(b) drop off	to take something or someone to an appointed place													
Meaning	Word / Phrase													
(a) amount of gas that is sent out	emissions													
(b) to take something or someone to an appointed place	drop off													
16	<p>Grammar error</p> <p>volunteers, including other school students and some locals from the fishing villages. The sponsor for the event prepared snacks and drinks for the volunteers.</p> <p>Ben : The event is not just to pick trash to keep the beach look clean. The purpose is to keep it from blowing back out to sea and harming marine life. People have to realise the impact of trash and the repercussions when trash is not properly discarded.</p>	<ul style="list-style-type: none"> The error has been corrected. <p>the event prepared snacks and drinks for the volunteers.</p> <p>Ben : The event is not just to pick trash to keep the beach clean.
