A-2	Answers (Unit 2: Life in the past)	2. B 5. B	2. A 5. C

Part 7

(Suggested answer)

Dear Ismail,

I saw a poster about a rescue plan in the swimming pool on the community noticeboard. It explains what to do in an emergency, like calling the lifeguard and using safety equipment.

I think this is very important because it helps keep swimmers safe. We should check it out next time we go swimming!

Let me know what you think.

Best wishes,

Anif

Unit 2 **Life in the past** p.9

Part 1

1. **B** Steven told Ayden that his mother will drive them to the museum at 6.30 p.m.
2. **A** The answer is found in the heading 'ONE-DAY TRIP TO MELAKA'.
3. **C** The father told his son that he used to do house chores like sweeping the floor and watering the plants, but he didn't have to make a fire.
4. **C** The history quiz is held on a Tuesday. Pupils are told to register before 5th April. They should enter the school hall 15 minutes before the quiz begins.
5. **C** Diana forgot to bring the materials from home for today's history project.

Part 2

6. **A** The preposition 'at' is used to tell where something is.
7. **A** A bakery is a place where bread and cakes are sold.
8. **B** The simple present tense is used to show that an action is done repeatedly.
9. **C** People sing a 'birthday song' at a birthday party. A 'ballad' is a slow song about love and a 'chant' is a song with words that people sing again and again. So, these two words are not the answers.

Part 3

10. **A** The answer is in 'She used to wake up at five and follow her parents to the rubber estate'.
11. **C** There were no buses or cars, so she went to school on foot.
12. **B** It is mentioned that '...she excelled in her studies'. 'Excel' means 'to be very good at doing something'.
13. **B** Fatimah loves and cares for her family, so 'loving' is her best quality as the adjective means 'showing love and care for others'.
14. **C** Fatimah rejected the offer to go to university because she thought she needed to work to take care of her family.

Part 4

15. **C** It is mentioned in the description about Putra Playground that it used to be the children's favourite place.
16. **C** The answer is in 'most of the facilities were built and repaired by founders using hands'.
17. **B** There used to be many stalls selling different kinds of food and drinks along Cahaya Old Street. Many people earned money through these business activities.
18. **A** The students of SJK(C) Kampung Baru lit up the classroom with oil lamps when it was too dark as there was no electricity.
19. **A** Most of the 30 children at SJK(C) Kampung Baru lived in the village near the school.
20. **B** The food and drinks sellers did counting in their heads because they didn't have any calculators.
