Deepavali

My scrapbook

Malaysia Cultural Festivals

Hari Raya

Topic	Theme	Core Value	PAK-21
Love Flora and Fauna	World of Self, Family & Friends	Love	Homemade craft – wind chimes
Objectives: <ol style="list-style-type: none"> 1. Knowledge : State ways to appreciate flora and fauna. 2. Socioemotional : Instil awareness in preserving and conserving nature. 3. Action : Create crafts from disposable items. 			

Activities

1. Pupils work in groups.
2. Get ready all the materials:

Cans

Paint

Metal washers

Nuts

Glitters

String

Hammer

Nail

Tape

3. Punched holes at the bottom of the tin cans.
4. Paint all the cans and add glitter on them.
5. After that put a string through the hole.
6. Tie two washers/rocks/nuts onto the end of the string, inside the tin cans.
7. One of the washers is used to hold the string while the other one is placed at the end of string to make a lovely clanking sound when it hits the tin can.
8. Hang up all the cans so that they overlap each other.
9. Now you can hang the wind-chime in a windy area to enjoy the wonderful clanking of your homemade wind chimes.

You can refer to the web link for details of the project. <https://handsonaswegrow.com/outdoor-music-diy-wind-chimes/>
