

Bagaimanakah anda meningkatkan **magnitud d.g.e. aruhan?**

*How do you increase the **magnitude of an induced e.m.f.?***

DAWAI LURUS STRAIGHT WIRE

Meningkatkan **laju gerakan relatif** antara dawai lurus dengan magnet
*Increase the **speed of relative motion** between the straight wire and magnet*

Meningkatkan **kekuatan medan magnet**
*Increase the **strength of magnetic field***

SOLENOID SOLENOID

Meningkatkan **laju gerakan relatif** antara solenoid dengan magnet
*Increase the **speed of relative motion** between the solenoid and magnet*

Meningkatkan **kekuatan medan magnet**
*Increase the **strength of magnetic field***

Menambah **bilangan lilitan solenoid**
*Increase the **number of turns** in solenoid*
